# THE MECCA OF LOGISTICS INNOVATIONS: LOGIMAT INDIA 2024 SUCCESS STORY

LogiMAT India 2024, a prominent fixture in the logistics sector, achieved remarkable success by introducing groundbreaking innovations, facilitating strategic partnerships between exhibitors and buyers, and driving substantial investments in the industry. Serving as an offshoot of the esteemed intralogistics exhibition, LogiMAT Stuttgart, LogiMAT India 2024 was orchestrated by Messe Stuttgart India and held at the India Expo Mart Limited (IEML) in Greater Noida from February 28 to March 1, 2024. This event provided a dynamic platform for industry leaders, innovators, and stakeholders to convene, exchange insights, and explore the latest logistics technologies and solutions.

The inaugural edition of LogiMAT India garnered support from esteemed entities such as Invest India, DPIIT led Start-Up India, Freight Forwarders Association of India (FFFAI), Association of Multimodal Transport Operators of India (AMTOI), Air Cargo Agents Association of India (ACAAI), Indian Importers Chambers of Commerce and Industries (IICCI) and Society of Manufacturers of Industrial Storage Systems (SMISS).

# CONCURRENT EVENTS

## LOGIMAT INDIA 2024 CONFERENCES

The LogiMAT India Conference 2024, hosted at IEML, Delhi NCR, India, from February 28 to March 1, 2024, convened industry leaders, experts, and stakeholders from transportation, logistics, and supply chain sectors. With a line-up of 51 distinguished speakers, the event featured 15 sessions covering topics like digital transformation, IoT in warehouse management, and sustainability solutions. Eminent speakers addressed smart logistics solutions, e-commerce supply chain challenges, and fulfilment strategies, fostering rich knowledge exchange and expertise sharing. The conference, organized into segments on Intralogistics & Warehousing and Transportation Management, facilitated insightful discussions, engaging sessions, and valuable networking opportunities for over 150 delegates. This event highlighted its role as a pivotal platform for networking, collaboration, and learning in the logistics realm.

The inauguration session delved into the crucial role of logistics in achieving Viksit Bharat 2047. JLL India unveiled their white paper titled "Exploring India's Thriving Logistics and Warehousing Landscape," offering a detailed analysis of the warehousing sector in India's top eight cities. Additionally, start-up pitching sessions provided a platform for innovative ideas within the logistics domain. Networking lunches enabled meaningful interactions among delegates and speakers, while special sessions illuminated industry insights and upcoming trends.

# LOGIVERSE INNOVATION AND EXCELLENCE AWARDS

The LogiVerse Innovation and Excellence Awards, held during LogiMAT India 2024 on February 28th, 2024, at the India Expo Mart Limited (IEML) in Delhi-NCR, marked a significant highlight of the event. Recognizing outstanding achievements across Intralogistics, Process Management, Material Handling, Transportation Management, Machine Vision, and Start-ups, the awards ceremony celebrated excellence and innovation in the logistics industry. With over 40 deserving awardees spanning from multinational corporations to startups, the event was a testament to the industry's icons, inspirations, and game-changers.

In addition to the prestigious awards, the occasion featured captivating performances by Padmashree Madhavi Mudgal's troupe, and a mesmerizing Santoor Collective led by Maestro Rahul Sharma. These cultural highlights added a touch of artistic flair to the event, making it a memorable and enriching experience for all attendees.

# LOGIVERSE INNOVATION AND EXCELLENCE AWARDS GLIMPSES

# SYNOPSIS

LogiMAT India 2024, organized by Messe Stuttgart India, emerged as a premier platform for the logistics industry, showcasing cutting-edge innovations, fostering strategic partnerships, and driving significant investments. Held at the India Expo Mart Limited (IEML) in Greater Noida, the event featured participation from leading global companies across sectors like Intralogistics, Material Handling, Warehousing, and Automation. The inaugural edition attracted a diverse audience of industry experts, policymakers, and supply chain managers eager to explore the latest technologies and solutions.

The concurrent LogiMAT India 2024 Conferences facilitated insightful discussions on digital transformation, IoT in warehouse management, sustainability solutions, and e-commerce supply chain challenges. Key highlights included the LogiVerse Innovation and Excellence Awards, recognizing outstanding achievements across various categories and celebrating excellence in logistics. The event also featured captivating cultural performances and networking opportunities, making it a memorable and enriching experience for all participants.

The success of LogiMAT India 2024 underscores its pivotal role as a catalyst for innovation and collaboration within the logistics ecosystem. We express our sincere appreciation to all exhibitors, attendees, speakers, delegates, and collaborators whose steadfast backing and engagement were instrumental in achieving this significant milestone. We eagerly anticipate your involvement in the second edition of LogiMAT India 2024.

## JOURNEY AHEAD

With a steadfast dedication to unveiling groundbreaking products and solutions in the forthcoming edition, coupled with a determined effort to expand its offerings in India, LogiMAT India is gearing up to host a profoundly impactful event in 2025. LogiMAT India 2025 is scheduled to take place from February 13th to 15th, 2025, Bombay Exhibition Centre, Mumbai, India.
